Sofia: But anyway, you've cheated me… you were supposed to ask me a question but you've answered it yourself. So typical of you!!!!
Jack: Sorry, okay… don't worry, I've thought of another one.
Sofia: Fire away.
Jack: Have you ever kissed anyone under a waterfall?
Sofia: Wow: that story about Maria in the last podcast has 30 opened the gates… you've clearly decided to forget the rule about ex-girlfriends now.
Jack: Suppose so. Anyway, answer the question, girl.
Sofia: well, as you've asked… Yes, I have kissed someone under a waterfall.
Jack: Really?
Sofia: Yeah.

Jack: This should be interesting… tell me more.
Sofia: Very interesting… because I've kissed more than one person under a waterfall.
Jack: What? You mean, more than one person at a time … or you've kissed more than one person at different times?
Sofia: The second. Of course! You see, something you might not have considered is that when my family moved from New York we went to Vermont… right close to a national park with lots of mountains and waterfalls. Me and my friends used to drive there when we were teenagers.
